Every Wasted Minute Costs You Money

Whether it's your time or that of an inexpensive clerk that is wasted by using an out of date directory, the loss is yours.

In the course of a year the time wasted usually costs far more than the price of a new directory.

Misdirected parcels or messages cause expense and annoyance.

Cut out this leak. Order a new directory at once. It will pay you bigger dividends for the money invested than you realize.

THE SAMPSON & MURDOCK CO. DIRECTORIES

SEVENTY-FIVE years ago the firm now known as the Sampson & Murdock Co. came into being. Though the name and personnel of the Corporation has changed somewhat during the years, it has held steadily to the main purpose for which the firm was originally founded, that of compiling the best directories possible and supplying them at the lowest rate to their customers.

A Key to New England Business

Among the most popular of the many directories published by this firm is the New England Business Directory and Gazetteer. Since 1856 this book has appeared bi-ennially and it is ever making new friends while holding the old. The last three editions have been completely sold out, months before the next issue. Briefly, this is a book which gives logically arranged information about all business, manufacturing, financial and professional interests in the six New England States. It is of immense value to the busy executive, sales manager, purchasing agent, or whoever he may be that wishes accurate and concise information regarding the products and

business of these States. People who buy it regularly say that the detailed information in its nearly two thousand advertisements, carefully classified and cross indexed is no small part of its value. The book is illustrated with maps in colors and includes a complete Gazetteer of New England.

The Boston City Directory and directories of over thirty other cities and towns are also issued by this firm.

The Return Circuit in Advertising

*The circuit must be completed before the bell will ring
The Buyer must find the Seller before a Sale is made*

Creative Advertising,—in newspapers, magazines, billboards, etc. tends to suggest wants and to create desire.

Before a sale results the initiative must pass from Seller to Buyer.

When this happens the Buyer begins actively to seek where he can best supply his wants.

This Directory is a logical place to look (at least our subscribers tell us they use it for this purpose) and the Reference Advertising herein has assisted many sales.

Have you made it easy for buyers to find ***You?***

HARD-N-TYTE CONCRETE FLOOR HARDENER

"A 5-Year Guaranty Bond with every job!"

Five years of thorough research by chemists and concrete specialists have proved the scientific sureness with which Hard-n-tyte prevents "dusting" and increases the life of concrete floors. Hard-n-tyte is not "just another floor hardener"—it is the result of thousands of dollars spent in taking the guesswork out of concrete hardening.

Hard-n-tyte is shipped in crystal form—pure white crystals of magnesium and zinc fluosilicates. All the water and mystery is left out of Hard-n-tyte and you may rest assured that every floor built according to the Hard-n-tyte Specification will outlast the guarantee many years, or such a definite guarantee could never have been secured from a financial institution of the standing of the U. S. Fidelity & Guaranty Co., who write the Hard-n-tyte Bond.

Write or phone us for a sample bond and a copy of the Hard-n-tyte Specification. Let us quote you on your next floor job.

Supply Men

Some are better than others. The chances are that those who take pains to put information about themselves where you can find it, will render you the best service.

Well-made goods enable you to *meet* competition

Well-advertised goods enable you to *beat* competition

Keeping abreast is hard—keeping ahead is easy, once you've gained the lead

SEND FOR PROSPECTUS

ELECTRO-THERAPY—By electrical treatments, passive exercise without effort or pain can be obtained where active exercise cannot be taken. The methods in use are of special service in obesity, constipation, rheumatism, and high blood pressure. Even incurable diseases may receive great benefit, for often the disease can be arrested or the rate of progress lessened.

HYDROTHERAPY & MASSAGE—In this department various water and radiant light baths are administered. The electric light baths with their thermic rays not only increase the skin action but penetrate the body and impart a powerful stimulus to the circulation. In this direction we also employ the healing power of photo and thermo therapy.

The Home of Good Directories

The City Directory has become a universal necessity in looking up new prospects, in purchasing supplies, and in marketing products. Our experience of over seventy years—our reputation for accuracy, our large force of experienced help and our complete equipment for the work, all guarantee the best in directory compilation. Don't forget that directory advertising supplements and rounds out all your other advertising by giving the most explicit directions how to find you.

Put—"We are listed in the Directory" in all your advertising copy. Addresses are often forgotten or mislaid, though the name is remembered. The firm that is properly registered in all branches of its industry is wise.

Addressing the right people in the search for new business means a saving of Time, Postage, Labor, Guess Work, Stationery; and results in more profits to you. You want your mailing lists accurate,—That's the kind we make. Ask us to tell you about this branch of our business.

Ask Sampson & Murdock Company
